## ALIENS WHO MOVE MUST SIGN NOTICE AT POST OFFICE

The Alameda County Council of Defense has received Public Proclamation No. 1, issued March 2, 1942, by Headquarters Western Defense Command and Fourth Army over the signature of Lieutenant General J. L. DeWitt. The Proclamation recites that General DeWitt, as the Military Commander of the Western Defense Command, has been authorized by the President and the Secretary of War to prescribe military areas from which any or all persons may be excluded.

By the terms of the Proclamation all of Alameda County, except the small portion thereof in the northeast corner lying north and east of the Byron-Bethany Highway is constitued a part of Military Area No. 1. The following portions of the Proclamation are important, so far as the authorities and residents of Alameda County are concerned:

"4. Such persons or classes of persons as the situation may require will by subsequent proclamation be excluded from all of Military Area No. 1.

**"5. Any Japanese, German or Italian alien,.. or any person of Japanese Ancestry now resident in Military Area No. 1 who changes his place of habitual residence is hereby required to obtain and execute a 'Change of Residence Notice' at any United States Post Office within the States of Washington, Oregon, California and Arizona. Such notice must be executed at any such post office not more than five nor less than one day prior to any such change of residence. Nothing contained herein shall be construed to affect the existing regulations of the U. S. Attorney General which require aliens of enemy nationalities to obtain travel permits from U. S. Attorneys and to notify the Federal Bureau of Investigation and the Commissioner of Immigration of any change in permanent address.**

"The duty and responsibility of the Federal Bureau of Investigation with respect to the investigation of alleged acts of espionage and sabotage are not altered by this proclamation."

It should be noted that the Proclamation in itself does not exclude anyone: the persons or classes of persons to be excluded will be designated by subsequent proclamation, according to Ralph E. Hoyt, Chairman, Alameda County Council of Defense.

### NILES SCOUTS ENJOY ANNUAL TRIP TO SNOW

The Niles Boy Scout Troop held their annual snow party on Sunday leaving Niles at 6 o'clock and arriving in the snow at Long Barn in Tuolumne County by 10 o'clock. Transportation was provided by Assistant Scoutmaster Louis Havey and Scouters Lewis Lewis, A. B. Leask, George Gear of Hayward, John and Evan Parry. L

A bean feed was enjoyed at noon cooked by Joe Viveiros.

The highlight of the day was provided by Scouters Leask, Parry, Gear Havey and Lewis who "took the rapids" standing up on a tobaggan. The return trip began as 4 and ended at 8 o'clock with 285 miles being covered for the round trip.

The following scouts thoroughly enjoyed the day's outing: Silva, Querner, Connor, Rose, Houghton, George Peterson, Cozzi, Nogera, Kibby, R. Mendonca, Champion Lindsay, Myrick and H. Mendonca.

Lewis as chairman of the Boy Scout committee thanks all those who helped to make the snow trip a great success.

### NO MASS MOVEMENT

**SAN FRANCISCO — Lieutenant General John L. DeWitt advises that aliens removing now from strategic areas would probably gain advantages through being pioneers in new resettlement districts and stated that there are no plans which will require the mass movement of law-abiding persons on a moment's notice. The groups concerned were cautioned to avoid unnecessary sacrifice of real estate, crops, and other property.**

## MORE NEW HOMES TO BE BUILT IN CANYON HEIGHTS

**The sale of 100 lots in the second Canyon Heights tract near Niles to Luther Lincoln, Oakland builder, by the Bailey Real Estate company, Niles developers, is announced this week by A. L. Bailey, manager.**

Mr. Lincoln has two architects drawing plans for new homes in blocks of 25 such homes, when finished to be sold for not over $4.500 each to defense workers only. Application has been made to the F. H. A. for permission to go ahead.

Mr. Lincoln also owns 18 lots in the original Canyon Heights tract of 37 lots, all of which have long since been sold, upon which new homes are also to be built.

**The Pacific Gas and Electric company has been granted permission to extend its gas mains some 1450 feet from the nearest present outlet, to serve the six houses already built in the tract, as well as future homes to be built. The work of extending the gas service will begin at once, Manager A. J. Pestche at Niles states.**

Water mains are also to be extended to serve the new tract, wherein four of the six new homes have been sold and but two now remain for sale.

**A total of 125 new homes are to be built on this tract convenient to Niles and the Hayward-San Jose highway, in blocks of 25 homes at a time, just as soon as clearance can be had from the F. H. A., the developers state.**

## NILES FIRST AID CLASS TO FORM FRIDAY EVENING

**An urgent call has been sent out by Ray Truscott, chairman of first aid for Washington Township for all residents of Niles who have had any training in first aid work to meet at the grammar school Friday night, March 13, at 8 o'clock in the eighth grade room.**

Organization of a local group of first aiders will be completed at this meeting and it is hoped that all those who are now enrolled in first aid classes or who have had any pervious training will be present. ..

According to Truscott this will include firemen, wardens, aircraft observers or any others participating in any form of civilian defense as there may be occasions when first aid is needed at a time when it would not interfere with other duties.

Similar groups are being organized in each town in the township, several of these already having been completed.

### RAINFALL IS 19.27

The first rainfall at Niles since February 25 occurred on Tuesday of this week when .97 of an inch was recorded in the Southern Pacific gauge at Niles, making 19.27 inches seasonal total to Wednesday morning of this week.

### BONDS—WHICH?

## ALIEN FARMERS SHOULD PURSUE THEIR FARMING

### EVACUATED JAPANESE WILL BE PAID FOR CROPS THEY PRODUCE

**SAN.. FRANCISCO — Alien farmers facing possible evacuation from coastal and border areas in Washington, Oregon, California and Arizona should continue to till their land as a demonstration of loyalty, and they may do so with full assurance that they will receive their share of the financial returns, it was declared today in a statement.. issued.. from.. headquarters of the Western Defense Command and Fourth Army.**

The statement expressed concern over reports that Japanese in some localities have plowed under crops or have abandoned seeding operations because of an apparent fear that their labor will go unrewarded. No reason for such fear exists, according to the Army statement.

"Foodstuffs are vital in prosecution of the war," the statement said, "and for Japanese ranchers professing loyalty to the United States there is no better way of showing sincerity than by continuing to raise crops.

"On the other hand, wilful destruction of crops demonstrates disloyalty and unwillingness to cooperate.

**"No evacuation order has been issued. Until such order is issued persons who would be affected and who are engaged in agriculture should carry on normal operations. If they do this they will be compensated for the crops produced. If they do not harvest the crops the government will do so and give them their fair portion of profits derived. Provision for this is being made in advance of any evacuation.**

"There is no valid reason why an alien farmer should destroy what is already growing on his place or fail to plant as usual. By so doing he is only helping the enemies of this nation, and if that is his purpose, well and good. But for the alien or alien-citizen who is loyal there is only one course—plant and produce as much food as possible."

### WARDENS' MEETING

**All Air Raid Wardens of Washington Township are urged to meet this Friday evening at 7:45 o'clock in the Niles Grammar School auditorium to hear Lieut. Walter Garrett of the Oakland Police department speak on Bombs and Chemical Warfare, Deputy Sheriff Peter Starasinic announces.**

## SUGAR RATION BOOKS READY IN A FEW WEEKS

SACRAMENTO—Governor Culbert L. Olson and the California State Council of Defense were advised today by the Office of Price Administration in Washington that nation-wide registration of sugar rationing books will probably take place over a four-day period during the last week in March or the first week in April.

A registration book will be issued for every man, woman, and child in the United States, excepting members of the armed forces, inmates of institutions, and persons temporarily or permanently in hospitals.

Governor Olson said he was advised that there will be approximately 1,400,000 registrars and the facilities of 245,000 elementary schools will be employed during the period of registration.

One adult, Governor Olson said, may register for each family unit, although a separate war ration book will be issued for each member of a family unit.

No ration book the governor was advised, will be given to any one who possesses sugar above a "normal inventory" requiring removal of more than eight stamps from the war ration book. The normal inventory figure, which has not yet been definitely determined, will represent a fair supply that the average family might be expected to have on hand.

**Sugar hoarders, it was stated, will be penalized either by not receiving a war rations book, or by having from one to eight stamps removed before receiving the book.**

### THIRD LOTTERY

**Next Tuesday the celebrated gold fish bowl in Washington will be brought into use for the third time as numbers in capsules will be drawn to determine the induction order of the men who signed up on the third national "R" (registration) day last month. If a man was the 36th or 93rd to sign up at his local registration place, then the 36th or 93rd capsule drawn will give him his induction number. It is all luck and chance: the first man to register may be the last man called and vice versa.**

### FOOD SALE AT NILES

A food sale for the benefit of the Corpus Christi Church at Niles will be held this Saturday morning, beginning at 10 o'clock in Murphy's store at Niles, according to Mrs. Rose Vieux, a member of the committee.

## TOWNSHIP DEFENSE COMMITTEE FORMED

CENTERVILLE — County civilian defense Chairman Ralph Hoyt last Friday evening personally helped Township Chairman F. T. Dusterberry organize the Washington Township Coordinating Committee of the Alameda County Council of Defense at a meeting held in the justice courtroom here, attended by 18 local committeemen and four county officials.

Chairman Hoyt selected Transportation Chairman Leon Solon of Niles to serve as vice-chairman of the committee when Chairman Dusterberry was absent or unvailable, and Dusterberry named M. P. Mathiesen to serve as his alternate as vice chairman of the Washington Township chapter of the American Red Cross.

Mr. Hoyt suggested the Township Committee meet twice a month for the next several months until things get running smoothly, after which meeting can be called by the chairman.

Friday evenings at 8 in the justice courtroom at Centerville was the time and place set, the next such meeting to be held Friday evening, March 20.

**— Plan Central Office**

**Chairman Dusterberry proposed locating a central office, information bureau and records department for the Township Committee at the Washington high school, subject to the consent of the board of trustees and the Principal. Mr. Hoyt said filing cabinets and office supplies could be secured through his office.**

There was a full attendance of the Township Coordinating Committee, representing various civilian defense activities. This group is responsible only to the District Attorney who is also Chairman of County Civilian Defense. The membership follows, together with the activity represented:

Frank Dusterberry, (chairman); Red Cross; Mrs. O. W. Ebright, public health; John Galvin, highway clearing and maintenance, demolition and rescue; Supervisor George Hellvig, air raid precautions and shelters; William Lindsay, messenger communications; L. W. Musick, public information bureaus; Fred Rogers, assistant fire coordinator for Washington Township under County Fire Warden James McGlinchey;

Leon A. Solon, (vice-chairman), transportation; Deputy Sheriff Peter Starasinic, law and order, wardens, bombs, telephone and radio communication under Sheriff Gleason; Walter Waynflete, dissemination of public information; an eleventh member, to represent traffic control to be appointed by Inspector Steinmeyer.

**— Red Cross Heads**

Also attending the meeting as committee chairmen of the Township's Red Cross disaster committee were Mrs. Ethel Grau, graduate nurses; George Bonde, transportation, (to work with Solon); A. J. Petsche, public utilities; M. D. Silva, food supplies; Ray Truscott, first aid; Mrs. F. V. Jones, welfare; M. P. Mathiesen and Erle Hellwig unassigned.

Present with the District Attorney were his chief Assistant, Frank Coakley, and his Deputy, Joseph Schenone.

Each committee member gave a report of progress in his department, had his questions answered and received detailed instructions from the County Chairman, who suggested that each chairman appoint an alternate to take charge in the event of the chairman's absence. Deputy Shenone, who is in the Township every Friday afternoon will act as liaison officer between the Township Committee and the County Chairman.

Lieutenant and Mrs. Jolly Batcheller and daughter Beth have moved to Fort Sill, Oklahoma where the Lieutenant is attending an officers training School.

## NILES FLOOD CONTROL DRAINS BEING PLACED

The digging of the flood control ditch under the S. P. tracks and down H street at Niles is well under way with a contracting firm using a power shovel to excavate for the 5-foot concrete pipe sections which are being laid to carry the flood waters from the highway, underground through Niles to discharge into Alameda Creek. Interested citizens are watching the progress of the work every day.

The big ditch digger worked down Third street between G and H streets on Saturday, preparing the deep trench for the big concrete pipes. On Sunday morning it started down H street between Third and Second. The operators of the McGuire and Hester machine stopped work an hour early at 11 o'clock so morning services could proceed uninterrupted at the Niles Congregational Church.

On Monday the digger reached First street at the end of H street, after digging a half-width ditch for two blocks down H street. Skipping the water and gas mains required fine handling of the continuous bucket apparatus.

On Wednesday a bulldozer filled in the half-width ditches without installing the big cement pipes, to the mystification of the local public.

### SCHOOL BUSES SOUGHT TO TRANSPORT CANNERY WORKERS

CENTERVILLE — The board of trustees of Washington Union High school is giving study to a proposal from local canning concerns that the big school buses, idle through the summer months, be rented to industries to transport workers to and from canneries during the harvest season.

Tire rationing may make it difficult for cannery workers to use their own cars while going back and forth to work as in the past, and the canning of fruit and vegetables is a prime necessity under national defense plans.

Regulations may be changed to permit the use of school buses for purposes other than transporting students to and from school, Principal A. J. Rathbone believes.

Mr. and Mrs. J. C. Shinn spent last weekend at Sutter Creek with Mr. and Mrs. Frank Solinsky.

## Coming Events

**FRIDAY**

**7:45 p. m. Township Air Raid Wardens meeting at Niles Grammar school.**

8 p. m. Niles First Aid class to organize in Grammar school eighth grade room.

**SATURDAY**

8:30 p. m. "Buy a Bomber" St. Patrick's dance at Newark Pavilion.

10 a. m. Corpus Christi Church food sale at Murphy's store in Niles.

**MONDAY**

Last day to file federal income tax returns.

**TUESDAY**

**3 p. m. National drawing of numbers for third R day registrants.**

## NEWARK

The Newark Grammar school defeated the Irvington school in a softball game Monday at Newark by a score of 16 to 11. The Newark team consists of Joe Machado, Jr., pitcher; Harold Caldeira catcher; Adolf Giesler, first base James Darneal, second base; Everett McNulty, th rd base; Lloyd Darneal, shortstop; Henry Serpa, buckshort; John Pigeon, left field; Ernest Marshall, center field; and Shigahara Nakamaura, right field.

Florence May is recovering at her home from a tonsilectomy.

The Stitch-em-up Club met at the home of Mrs. L. Kious on Friday. Refreshments were served.

Mrs. John Pope has been staying in San Francisco for a few days w.th relatives.

---

California is first among the states in lamb production.

## INCOME TAX INFORMATION

Have you filed your Federal income tax return? If you come within the group from whom returns are required, you have only until midnight, March 16, in which to file a return. Single persons who earned as much as $14.43 a week for the 52 weeks of 1941; or married persons living together who had aggregate earnings of as much as $28.85 a week for the year, are required to file returns. The instructions attached to the forms describe the method of preparing returns, but if further information is necessary it may be obtained at the offices of the collector of internal revenue, deputy collector, or an internal revenue agent in charge. They make no charge for their services.

If income tax returns are placed in the mail, they should be posted in ample time to reach the collector's office on or before the due date — that is midnight on March 16 for calendar year returns. Taxpayers subject themselves to a penalty for failure to file returns on time.

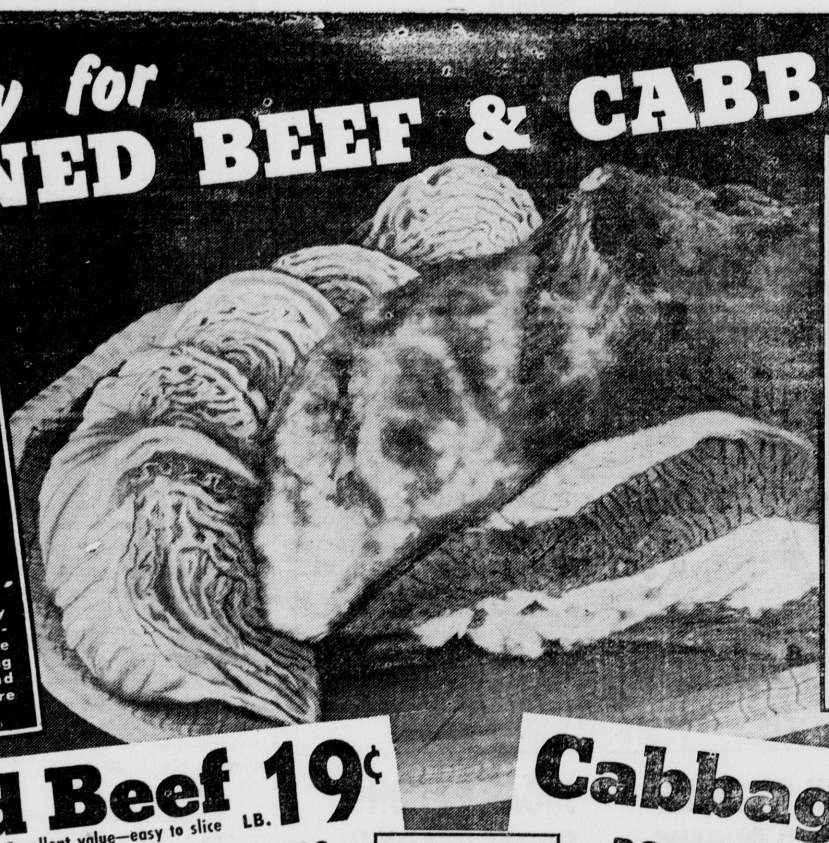
The San Francisco Zoo contains 1000 animals.

Safeway for CORNED BEEF & CABBAGE...



**Corned Beef**

Safeway's is a very special kind of corned beef, superlatively mild in flavor, especially tender and it requires no parboiling. This is because we select only top quality prime steer beef. Safeway's Corned Beef is guaranteed to please you 100% . . . or your money back.

*An easy way to cook Safeway Corned Beef*

Place meat in pot with plenty of water so meat is well covered. Add one onion, some bayleaf and bring to boiling point. Turn fire low and simmer until tender. (Figure 25 minutes to a pound.)

**M-m-m-m**

Enjoy the mouth-watering thrill of Safeway's special kind of "Corned Beef and Cabbage" this week-end and again for the traditional St. Patrick's Day feast.

**CABBAGE** *by the pound*

Cabbage doesn't come in uniform sizes. No need to pay the price of a large head if you only want a medium size head. Buy it by the pound at Safeway — and be assured of getting your money's worth. This week it's wonderfully sweet, crisp and tender, too. And remember... it must please you, as all other Safeway produce, or you can get your money back in full.

10 a. m. Morning Worship.

Sunday school — Younger children at St. James Episcopal, older children at the Presbyterian church. Parents can attend the church service while the children are in classes.

### CHRISTIAN SCIENCE CHURCHES

"Have we not all one father? hath not one God created us?" These words from Malachi comprised the Golden Text used Sunday, March 8, in all Church of Christ, Scientist, branches of The Mother Church, The First Church of Christ Scientist, in Boston, Massachusetts. The subject of the Lesson-Sermon was "Man."

Included among the Scriptural selections was: "The Lord knoweth the days of the upright: and their inheritance shall be forever. The steps of a good man are ordered by the Lord: and he delighteth in his way. The law of his God is in his heart: none of his steps shall slide. Mark the perfect man, and behold the upright: for the end of that man is peace," (Ps. 37: 18, 23, 31, 37).

The following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, were also included: "Man's genuine selfhood is recognizable only in what is good and true. . . The good man finally can overcome his fear of sin. This is sin's necessity, — to destroy itself. Immortal man demonstrates the government of God, good, in which is no power to sin," (pp. 294. 405).

### ROAD SERVICE CARS ELIGIBLE FOR TIRES

Motorists stranded with disabled cars no longer need fear that their call for help will be met by, "Sorry but my tow truck is laid up, on account of no tires." Revised tire rationing regulations have added tow trucks and other emergency road service equipment to the lists of eligibles, the California State Automobile Association stated today.

Tow trucks are eligible for new tires; service cars other than trucks are eligible for retreads.

### UNITED STATES HAS 74 PER CENT OF CARS

More than 74 per cent of all the registered automobiles in the world are in the United States, reports the California State Automobile Association. Of the 1941 world total of 45 500,000 approximately 33,725,000 were in this country. The American automobile industry last year produced 3,750,000 passenger cars and 1,070,000 trucks.

## Decoto Group Enjoys Studying "Keys to Kingdom"

DECOTO — The Decoto Discussion Group held a very interesting meeting last Friday at the home of Mrs. Evelyn Joseph. A dessert luncheon was served at noon, the beautifully appointed table being centered with an arrangement of pink camellias.

After the luncheon Mrs. Mary Frances Swenson, with much ability and charm, led the members and guests in the discussion of "The Keys of the Kingdom," by A. J. Cronin. Many interesting opinions and reactions to this most profound character study were brought out as well as humorous episodes, spiritual applications, and religious problems in general.

The highlight of the meeting was the final summary of the literary and spiritual value of this book by Reverend Father Hennessy, of Niles and Decoto. As an expression of the reaction of the clergy to this author's frank discussion of the excellencies and faults of various sects, his remarks were most interesting to all present.

The group deeply appreciated Father Hennessy's presence and contribution to the program, and his literary appreciation, and tolerant and gracious personality made a most agreeable impression upon his listeners.

The Decoto Discussion Group has an unbroken record of a meeting every month for over three years and has never lost a member except when changes made attendance impossible. Eight new members have been added, the total membership now being 18. There has been a steady improvement in the literary appreciation, self-confidence and interest of the members during this time. Many difficulties have been met and overcome and for the 1941-1942 program each leader has selected her book and conducted its interpretation in her own way.

When Father Hennessy complimented the group in general and Mrs. Swensen in particular, in her presentation of the subject, the fact that his first impression of the work of the group was so satisfactory was most encouraging to the members whose work together has resulted in an ever-deepening friendship.

After the conclusion of the meeting, the group called upon Mrs. Charles Brown, an absent member, who returned recently from the Alameda Hospital where she underwent a serious operation. The group presented her with a potted plant for her garden.

Guests included: Mrs. Emily Silva of Niles, Father Hennessy of Niles, Mrs. Dorothy Roberts, Miss Marie Bruguiere, and Miss Florence Little, of the Alameda County Library, and Mrs. Geraldine Llewallen, who is visiting her brother, Charles Brown, of Decoto.

### ATTEND HOME MEET

NEWARK — The district meeting of the Southern Alameda County Farm Home Association was held Wednesday in Hayward at the Burbank Grammar school. Those attending from the Newark Farm Center were Mrs. Marion Zwissig and Mrs. Geneva Smith of Decoto; and Mrs. Lena Bertolotti of Newark.

Mrs. Frank Janeiro has been visiting at the home of her daughter, Mrs. Joe Leitch, at Pleasanton.

### POT-UCK DINNER

Many Newark members of the American Legion, Sons of the American Legion, and the American Legion Junior Auxiliary were entertained Monday evening at the Veterans Memorial building in Niles by the American Legion Auxiliary of Washington Township. The Auxiliary treated these Legion groups to a pot luck dinner. After the dinner a meeting was conducted by Irma Peterson of Niles, president of the Auxiliary. An Americanism program followed the meeting.

### SUNDAY WEDDING UNITES COUPE IN SAN FRANCISCO

A wedding of interest to local people took place on Saturday, March 7th in St. Emydius Church in San Francisco when Miss Jeffrey Dowling and Ralph Vertner Calhoun were united in marriage. The bride is the daughter of Mrs. Thomas Dowling of San Francisco and the groom is the son of Mr. and Mrs. Vertner Calhoun of San Francisco and a grandson of Mrs. Agatha Zwissig of Decoto and Mrs. Mamie Calhoun of Centerville.

The bride wore an eggshell satin gown with lace bodice and long train. The long veil was of the same color. Her bouquet was a marker of two orchids with butterfly orchids hanging from the marker. Miss Mary Burke of San Francisco was maid of honor and wore a pink chiffon dress. The flower girl was the birde's young cousin who wore a blue gown.

More than two hundred guests attended the wedding and the reception which was held later at the home of the bride. Among local guests attending were: Mrs. Agatha Zwissig and Mrs. Mamie Calhoun, Miss Elva Calhoun, Mr. and Mrs. Frank Gwerder, Mr. and Mrs. Louis Zwissig, Mr. and Mrs. Reginald Calhoun, Mr. and Mrs. Tony Resendez, Mr. and Mrs. J. A. Zwissig and daughter Laura Lee, the Misses Helen, Marcella and Katherine Bliss.

### COMMUNITY DINNER IS FINE SUCCESS AT NILES CHURCH

A very successful community dinner for men and women was held Wednesday night of last week in the Guildrooms of the Niles Congregational Church when about 120 persons were served an ample dinner by members of the Men's Fellowship club.

The proceeds above the cost of the provisions used in the dinner were given to Church Treasurer W. T. Lindsay for general Church expenses by Jack Parry, treasurer of the Fellowship club.

The tables and the guildroom were prettily decorated with yellow jonquils donated by the California Nursery company and arranged by Fred Duffie.

Clark Griffin, as major domo cooked the "wittles" aided by Mr. Lindsay. Assisting with the table setting and serving were Jack Parry, Charles Middleton, Duffie, Andrew Lindsay, Harold and Walter Kleinsasser and Jack Myrick.

The dinner grossed about $75 with Walter Waynflete taking care of ticket sales. The committee thanks all those who made the dinner the success it was, as well as the general public who supported it.

Miss Irene Ferry has been seriously ill in a San Francisco hospital. She is reported to be improving.

John Cambra is recovering at his home here from a recent operation performed at the San Jose Hospital.

# Neighborhood NEWS

### TWO PARLORS RECEIVE THEIR OFFICIAL GUESTS

IRVINGTON — On Friday evening, March 6, the Betsy Ross Parlor and the Hayward Parlor of the Native Daughters of the Golden West met at Anderson Hall in Centerville to greet the Grand President Clarice Cook on her official visit to both parlors. Visitors attended from San Francisco, Oakland, Pleasanton Livermore, San Leandro and Stockton.

The Grand Officers in attendance were Grand Secretary, Sallie Thayler, Grand Trustee Marion White, Supervising District Deputy, Kathleen Dombrink and Deputies Betty Sukke and Dorothy Rivolo. Ellen Valim of Centerville was initiated by the Betsy Ross Parlor.

The Grand President spoke on the National Crisis and also presented the parlors with ideas for carrying on their work in the future in order to best help their country. Chairman for the evening were Mildred Schilling of the Hayward Parlor and Evelyn Garcia of the Betsy Ross Parlor. Spring blossoms were used for decorations in the hall and on the tables. After the meeting refreshments were served.

### DISTRICT ASSEMBLY TO MEET SUNDAY IN SAN LORENZO

A meeting of the 13th District Republican assembly will be held next Sunday afternoon at 2:30 o'clock in the home of Mrs. Emma Kessler at San Lorenzo, Clark Griffin of Niles announces. Republican men and women are invited to attend.

The assembly at its meeting a week ago endorsed the candidacy of George J. Dugan, East Oakland realtor for assemblyman from this district to fill the vacancy created by the death of the late Assemblyman James M. Cassidy.

County Membership Chairman Bruce Holman will be present at next Sunday's Republican assembly meeting.

### PARTY GIVEN FOR ONE YEAR OLD

Mrs. Ruel Brown entertained recently at a party at her home in honor of the first birthday of her son Ruel. Ruel's guests were Sondra Sylva, Sandra Peixotte, Phyllis Fine, Barbara Jean Santos, Barbara Jean Frick, Mary Jo Avilla, Marylin Locicero, Clifford Dias, Vernon Brown, David and Paul Turner and Frank Locicero. There were balloons and favors for the guests and a big birthday cake with one candle.

A group of the guests' mothers and other friends were also present including Mrs. Joseph Santos, Mrs. Elmer Peixotte, Mrs. Jim Fine, Mrs. Vernon Brown, Mrs. Fred Dias, Mrs. John Turner, Mrs. Frank Locicero, Mrs. Charles Frick, Mrs. Joseph Avilla, Mrs. Manuel Sylva, Mrs. Leon Solon, Mrs. William Garcia, Mrs. John Brown and Mrs. Jack Rathbone. Mrs. Brown was assisted in entertaining by her mother, Mrs. A. Alves and Mrs. Lawrence Avilla.

Mrs. Manuel Corchero has recovered from a recent tonsil operation.

### NILES ROTARY, CHAMBER ENJOY P. T. A. LUNCHEON

Deputy District Attorney J. E. Schenone was guest of honor at the annual luncheon served by the Niles P. T. A. in the Niles Grammar School cafeteria for the members of the Niles Chamber of Commerce and their ladies, and the Niles Rotary club and their "Anns".

The local Rotary club adjourned its usual Thursday noon meeting from the Hotel Belvoir to the Niles school cafeteria where they enjoyed a fine luncheon prepared by the ladies of the P. T. A. and enjoyed Mr. Schenone's talk on Bunco Games in Alameda County.

The tables were prettily decorated in spring flowers and the event proved very enjoyable to the large number of guests who attended.

### ALVARADO CENTER PLANS SERIES OF SOCIAL EVENTS

ALVARADO — Home nursing will be the project at the next meeting of the Alvarado Farm Home Center to be held at the home of Mrs. Mary Gastelum.

A series of card parties at which defense stamps will be awarded as prizes will be held on Friday, March 13, March 20 and 27, with Mrs. Mary L. George, Mrs. Anna Rose, Mrs. Rita Oliveira and Mrs. Mary G. Rodriguez in charge.

A St. Patrick's party is planned for March 17 at 2 o'clock in the home of Mrs. Marcella Davilla. Arrangements for these coming events were made at a meeting held recently in the home of Mrs. John Williams in Irvington.

### MRS. MARY CARVER DIES

NEWARK — Sudden death came to Mrs. Mary Carver Monday evening at her home on Dairy Avenue. During the day she was working out in her garden and didn't feel very well. While in the house at 5:50 p. m. she dropped dead. The body was taken to the Chapel of the Palms in Centerville where funeral arrangements were being made for this week at a cemetery in Pomona. She had resided in Newark for over seven years. She is survived by a son, Dexter, who was living with her.

## DECOTO NEWS

Mrs. Edmund Francis
Correspondent

Mr. and Mrs. Archie Snyder and son of San Francisco visited at the home of relatives here on Sunday.

George Milina is confined to his home here with a severe cold.

Mrs. M. D. Silva is visiting at the home of relatives in Santa Clara.

Mrs. Connie Amaral, Mrs. Jesse Perry, Mrs. Virginia Enos, Mrs. Martha Faria, Mrs. Mary Amaral, and Mrs. Ida Francis, attended an official visit of the Native Daughters at Centerville on Friday evening.

Mr. and Mrs. Antone Perez and son are now residing in Oakland.

### WHIST PARTY

IRVINGTON — Many prizes are being offered by the members of the U. P. P. E. C. No. 54 of Irvington at a Whist party to be held on March 26, at 2 p. m. in the I.O.O.F. Hall. The object is to raise $10.00 to be donated to Uncle Sam The public is invited to attend. A two-pound can of coffee is being offered for one prize.

### TWO ORGANIZATIONS SHARE COMMUNION & BREAKFAST SUNDAY

Members of De Guadalupe Institute, Y. L. I. of Niles held their annual Communion on Sunday, March 8, at the Holy Ghost Church in Centerville with ninety members in attendance. The members of the Centerville Council, Knights of Columbus also attended and a joint breakfast was served at the Washintgon High School cafeteria. Chairman of arrangements for the Y. L. I. was Mrs. Madeline Santos while Mr. George Coit was chairman for the K. C.

Judge Allen Norris acted as toastmaster at the breakfast. The main speaker was Ray Hall, Oakland attorney. Among those introduced were Mrs. Lena Bertolotti, President of the Y. L. I. Bert Joseph, Grand Knight of the K. C., and Grand Director Marguerite Crane of the Y. L. I. Daffodils and spring flowers made attractive table decorations.

### MEN'S CLUB TO HOLD SPRING MEETING

DECOTO—Although the Christmas dinner and jinx of the Washington Township Mens club was cancelled, the board of directors has authorized the holding of the regularly scheduled spring meeting and dinner. The board has also authorized the purchase of a $100 defense bond from the unused Christmas entertainment fund, according to postcard notices sent to the membership by Secretary L. W. Musick.

Mrs. Mary Sequeira entertained Mr. and Mrs. John Francis, Miss Mary DoCarmo of Oakland, Mr. and Mrs. John Enos, Jr., and daughters, and Edmund Francis, at a dinner at her home here on Sunday in honor of her daughter Ida's birthday.

Vincente Carravalho is ill at his home here.

### IRVINGTON PTA ENJOYS SEVERAL MOTION PICTURES

IRVINGTON — The Irvington Parent Teachers Association met Thursday at the Irvington Elementary school. Mr. Jack Rees of Washington Union High school was the guest speaker. His topic was "The Axis Strategy in the War." Motion pictures were shown by Mrs. Ann Rose of the "Old Maid's Convention" a play put on by the Parent Teachers Association on "Ma's Night" two years ago. Mrs. Rose took the pictures of the local ladies dressed in their old fashioned clothes. Pictures taken by Mrs. Estelle Hirsch of her trip to Canada were also shown.

Miss Bond was named chairman of the Association's annual Easter egg party. In honor of Camp Fire Week the Flag Salute was led by Camp Fire Guardian, Mrs. Stella Benbow, and the National Anthem was led by the Camp Fire Girls. Mrs. Lewis Adams, welfare chairman will have charge of the Rag Drive which started Wednesday and ends Friday. All proceeds from the drive will go to the Irvington Red Cross Emergency Fund. Mrs. Adams was also reappointed chairman of the annual summer round up conducted by the PTA.

### BIRTHDAY PARTY

MISSION — Miss Evelyn Meyer, daughter of Mrs. Grace Meyer was given a surprise birthday party by her mother at the family home here on Thursday of last week on her tenth birthday. She entertained her friends with games and the older folks played cards. Those present to help her celebrate were: Mr. and Mrs. Manuel Phillips and children, Mr. and Mrs. Leroy Crook and daughter Mardell, Mrs. Josephine Fernandez and twin sons "Nonie" and "Weezer", Miss Virginia Lawrence, Mr. and Mrs. Joe Dutra and daughter Dorothy, Joe Thompson, and Mr. and Mrs. Manuel Sylvia and sons. A beautiful birthday cake was cut by the young hostess and sandwiches and coffee were served to her guests.

Busy Hands . . . Busy Eyes
Now Need, More Than Ever
BETTER LIGHT for BETTER SIGHT
These are homey days, with the family auto restricted in use. There is fun and home-made relaxation within the family circle. Isn't it true in your household?
Consider this new appreciation of home that has come to all of us. Care and repair of clothes and the knitting of socks and sweaters keep needles flying in agile fingers. Good old games come into use or books set aside for future reading take on new interest. Truly hands and eyes are busy these days.
How easily we read or work or play depends on how easily eyes see to do these things. Just how easily we see depends greatly on the light by which eyes work. Conserve eyesight by Better Light for Better Sight. Equip your home with modern lamps and lighting fixtures. It is easy to do and costs very little.

Above are the new telephone numbers for the Niles dial telephones. They are published here so that patrons may cut out this list, mount it on cardboard and place it on the wall by their hand phones.

Its use will save thumbing through the telephone book to find the number you want — until you get to remember the numbers you call most often.

Just a service from The Township Register, pursuant to the suggestion made by Mr. George Bonde.

## THE TOWNSHIP REGISTER

804 MAIN STREET NILES, CALIFORNIA

## NILES LOCALS

Miss Rosemary McDonald
Correspondent

Mrs. R. A. Blacow received the members of the Women's Guild of the Niles Congregational Church Wednesday afternoon at her pretty home east of Niles where a garden party was held.

Word has been received at Niles that George Sladek, a former resident here, who has been working in Pasadena, has been promoted to assistant superintendent of the Gladding McBean plant at Lincoln in the Sacramento Valley. His family will join him at Lincoln in a month or so.

Norman H. Parks, former owner of The Township Register and Mrs. Parks are now comfortably situated at 822 Campus avenue in Redlands where Parks writes the place is beautiful and the climate ideal. He trusts the change will benefit his health.

Hugh Waynflete has been confined to his parents' home since last week with a case of measles and a cold. He is improving rapidly.

Mrs. Fred Mitte will entertain her Bridge club on Thursday, March 19.

The Friendly Sewing Circle met at the home of Mrs. Mary Rose last Monday and elected the following officers for the new term: President, Mrs. Olive Pugmire Vice-President, Mrs. Anna Bradford; Secretary, Mrs. Ivy Cull. The next meeting will be held in April at the home of the new president.

On Wednesday evening March 18th the Special Session and District meeting of the Rebekah Assembly will be held at Livermore. Members from all the Rebekah lodges will be present. Mrs. Ruth Mitchell, District Deputy President will have charge of arrangements.

The next regular meeting of the Niles Rebekah lodge will be held on Friday March 20. The annual election of delegates to the Rebekah Assembly at San Jose will be held. Mrs. Iva Marble is chairman of the refreshment committee assisted by Mrs. Martha Roland and Mrs. Irene Kibby.

Mrs. Theresa Moore and daughter Rosalie of Berkeley attended the Bulb Show on Sunday and visited friends in Niles.

Ed Jauch from San Luis Obispo visited in Niles over the weekend.

Mrs. Dora Mae Scudder spent Wednesday at Sacramento.

The Niles Rebekahs held an afternoon card party on Thursday, March 12 at the I. O. O. F. Hall. Refreshments were served at 1:30. Mrs. Olive Pugmire was chairman of arrangements.

Robert Kibby left here Sunday on a short trip to Vancouver, Washington.

The recent marriage of Robin Trask Hatch and Maurice O'Brien has been announced.

The Niles telephone operators have all been transferred to other telephone positions. Mrs. Lucetta Duffey and Miss Rosemary Clark are employed at Hayward, Mrs. Pearl Wiseman at San Francisco, Mrs. Julia Cull at Richmond, Miss Summer Ayres at Berkeley, and Miss Millicent Doyle at San Jose. Mrs. Jennie Ferry is retiring.

## MISSION SAN JOSE

Miss Ruth Justus
Correspondent

Mr. and Mrs. Roscoe Whiteside of San Francisco spent the week end at the home of Mrs. Whiteside's sister, Miss Abbie Sunderer here in the Mission.

Miss Tosca Martinelli has been confined at her home in San Francisco for a week with a strep throat but was able to come to the Mission to the summer home of her parents over the week end.

Miss Nelle Warren motored to San Jose Friday to spend several days with her friend and former classmate, Miss Elizabeth Mills at San Jose State College.

Angelo Pabru motored to San Francisco Thursday to take his Selective Service medical exam. He is classified in Class 1-A.

**Mrs. Hortense Andrade received word Monday that her son Elmo has arrived in San Diego to begin his training as a Marine in Uncle Sam's service.**

Miss Velma Telles who was very ill for several weeks is again back at her studies at Washington High school, where her many friends are glad to see her.

Mrs. Rose Souza celebrated her 31st birthday recently. Mr. and Mrs. George Valles of Centerville entertained Mrs. Souza at a surprise dinner with a number of mutual friends present. After a delicious dinner the guests played cards and danced.

Mrs. Lois Justus and children Bert, Elaine and Ruth accompanied by Mr. and Mrs. Daniel K. Cross and Edna Mae, David and Myrna Cross motored to Sunnyvale Sunday to the home of their brother, Mr. and Mrs. Floyd and family to enjoy a birthday reunion dinner given in honor of Floyd Cross.

Funeral services were held in San Jose on Friday for Mrs. Ignacia Luiz, a former oldtimer of the Mission. Interment was made here in the St. Joseph's Cemetery. She was 72 years old and was a native of Madelena Pico, Azores. Joseph Semas of this town was her nephew.

Mervin Telles is now employed on a Santa Clara Milk delivery truck.

Fern Elaine Justus is confined to her home here with a severe case of influenza.

The Irvington Camp Fire Girls are planning a bicycle ride on Saturday.

Mr. and Mrs. Fred Kolhmoos of Walnut Creek visited friends in town on Saturday.

Miss Lorraine Santana, who has been confined to her bed due to illness for the past two weeks, is improving.

Dr. and Mrs. J. H. Durham have returned home after spending two weeks with relatives in Grass Valley and Live Oak.

Mr. and Mrs. Marceleine Rogers motored to Antiock on Saturday and visited relatives.

**Lawrence Furtado, owner of the Union Service Station in Irvington left on Monday for San Diego having enlisted in the United States Navy.**

Miss Low Lowrie of Piedmont spent Friday in Irvington visiting friends and relatives.

**Charles Merrill is now employed in Hayward on defense work having closed his garage here on Saturday.**

Mr. and Mrs. Wallace Pend of Berkeley spent the weekend with their parents Mr. and Mrs. Raymond Pond here.

Joe Howe, who received injuries in a recent accident is now at his home and his condition has slightly improved. Mrs. Howe, who was also injured has resumed her duties at the Centerville Grammar school.

Mrs. Elsie Rogers is back at work at the Weston Store in Irvington after an illness of two weeks.

Mr. and Mrs. William Dargitz were guests at the home of Mr. and Mrs. Harold Millard of Mission San Jose on Saturday evening. Also present were Mr. and Mrs. LeRoy Horn of Oakland.

Private Melvin Howe of Camp San Luis Obispo spent Thursday at the home of his parents, Mr. and Mrs. Joe Howe.

Clytelle and Wanda Shepherd attended a birthday party in honor of Miss Sandra Hawes at San Jose on Saturday. Accompanying them were Miss Nadine Millard of Mission San Jose.

Mrs. Dorothy Mello returned home on Monday after undergoing an operation at the San Jose Hospital. Her many friends wish her a speedy recovery. Her mother, Mrs. Mello of Turlock is with her.

Mr. and Mrs. Bud Ross and Mr. and Mrs. John Anderson, all of Oakland were guests at the home of Mr. and Mrs. Lee Gamble on Saturday evening.

Mr. and Mrs. R. T. Stover of the P. G. & E. Sub station spent the weekend with relatives in Sacramento.

Mr. and Mrs. R. Stinson of Santa Cruz visited the Raymond family on Saturday. Mr. Stinson was the former station agent for the Southern Pacific in Irvington.

Mr. and Mrs. Lyle Fisher and young daughter spent the weekend in Irvington with relatives.

## NEWARK

Eugene Pashote
Correspondent

A large crowd from Santa Clara and Alameda County was present Saturday evening at a dance at the Newark Pavilion given by a San Jose orchestra.

Many Newark Y. L. I. members received holy communion Sunday in a body at the Holy Ghost church in Centerville at the eight o'clock mass.

Mr. Perry and Mrs. Levertt of Oakland Mr. and Mrs. Dick Fields and Mrs. Perry of San Leandro; Mr. Enos of Boston, Massachusetts, who is now staying in Oakland with friends; Mr. and Mrs. Henry Fields and son Clifford and Mr. and Mrs. Edward Costa and daughter Patricia of Newark spent Sunday at the summer home of Mr. Levertt at Boulder Creek.

The Women's Improvement Club held their dinner Tuesday evening in Niles at the International Kitchen. After the dinner the group came to Newark to the home of Miss Julia Ruschin where they spent the evening playing games and cards.

Principal Jack MacGregor of the Newark School announces that a kite flying contest is being held today (Friday) at the school. Prizes will be awarded for the best make of kite and the best flying kite.

The Hills Plasterers of Hayward are still leading in the Hayward 800 Bowling league with Newark behind them by a one game margin. Newark at present has won 40 games and lost 23 and the Hills Plasterers have won 41 games and lost 23 games. Stanley Majeski for the Newark Sportsmen is the leading player with 10,989 pins.

Hazel Caldeira, Elizabeth and Ina Milani and Jeanette McCullough attended a baby shower given Sunday at Alvarado for Mrs. Madeline Soares.

Oscar Niemth and daughter Clarice of Newark left Tuesday on an extended visit to St. Louis, Missouri to visit relatives and friends.

## NEWARK FIREHOUSE BLACKED OUT; LESSONS PROCEED

(Special to the Register)

NEWARK — The auxiliary firemen held their regular meeting Tuesday evening at the Newark Fire station. Arm bands were distributed to the firemen who had completed the Uniform Civilian Fire-Fighting Training Course.

The course was taught in ten meetings at the Newark fire station by Chief Pashote of the Newark Department and consisted of lectures and demonstrations on bombs and fire fighting. The group witnessed a demonstration of the various types of bombs put on by Assistant Chief Frank Madruga of the Centerville fire department.

Arrangements are being made for Chairman Dwight Cogswell and his First Aid Team to give First Aid demonstrations before the Newark Fire Department, the Ladies Auxiliary and the Auxiliary Firemen of the Newark Fire Department in the near future.

Various types of gas masks have been shown to the group.

Chief Pashote stated the apparatus room will be blacked out by painting the windows black so that, during a blackout lights may be used in the apparatus room and the firemen may get their motor started and warmed up. As soon as the trucks are ready and enough firemen are present the door will open as the lights are extinguished.

Chief Pashote told the group that a uniform method of fighting small fires must be adopted at once. This matter is now being discussed by the fire section of the Alameda County Council of Defense, according to Pashote, who attended a recent meetnig in Oakland.

---

Reverend Richard C. Day spoke at the Wednesday evening Union Lenten Service held in the Newark Presbyterian Church, conducted by the Pastor, Reverend J. L. Webster.

## RED CROSS CLASS BUSY AT MISSION

MISSION — The class in home nursing is coming on nicely under the direction of Mrs. Francis Coefield, nurse. On Monday of this week the ladies learned about artificial respiration, how to apply hot and cold compresses, what causes inflamation and its treatment. Last week they were given instructions on what to do in case of an accident and how to stop excessive bleeding and how to treat shock.

The red cross group will make rompers and Mrs. Ernest Frei and Mrs. Paul Aust instructed in knitting on Wednesday of this week.

## JUNIOR MARKSMEN CONTINUE TRAINING AT THE MISSION

MISSION — The Junior members of the Tangle and Twist Rifle Team met on Wednesday at the P. G. & E. clubhouse to shoot a postal match. This was a National Rifle Association shoot and all junior teams in the United States competed.

The score cards are sent in to Washington for tallying. All boys who shot this match will receive an emblem to sew on their jackets which will be marked N. R. A. Junior rifle club.

The First team consisted of Robert Hunt 182 points, Bert Justus, 137, Kenneth Calhoun 166, Frank Scammon, 126 and Arthur Kimber, high man with a score of 184. The second team was Thomas Cunha, Jr., high man with a score of 149, Jimmy Ruoff, 99, Wesley Hammond 140, Donald Silveria 133 and William Mette 119.

Every other Wednesday the boys meet with their instructor Paul Hunt and shoot for medals. They are learning all about firearms and their care. They shoot prone, kneeling, standing and sitting and when they have attained a certain score in each of these positions they receive medals of merit from the Rifle Association in Washington.

## HAYWARD SCOUTS CAMP OVERNIGHT AT CENTERVILLE

CENTERVILLE — Troops 3 and 7 of Hayward, sponsored by All Saints Parish held an overnight camp at the Parish grounds of the Holy Ghost Catholic Church in Centerville last Saturday and Sunday, under the direction of Father Mario Corderio, Chaplain, and A. J. Foster, troop committeeman.

Activities included games and contests on the grammar school grounds under Tom Maloney, principal of the Centerville grammar school, with a campfire program and moving pictures in the evening. Mass and communion were held on Sunday morning, with inspection of camp Sunday morning by Judge Allen G. Norris, chairman of Washington Township district and W. T. Lindsay, scout executive. The usual camp duties were performed.

Monsignor Souza said mass and the sermon was preached by Father Corderio, on Remember Pearl Harbor.

The Centerville troop under Philip Souza, committeeman helped entertain and camped overnight with the Hayward troops.

An all day hike was held on Sunday up to Dad's place in Niles Canyon.

## NEWARK BALL CLUB DEFEATS OAKLAND TEAM ON SUNDAY

NEWARK — Baseball fans of Newark were treated to a fine exhibition of the national pastime when the Newark Sportsmen Club tangled with the Agrella baseball team from Oakland Sunday at the Newark School grounds. The final score of 4 to 2 in favor of Newark made Manager Henry Nunes very happy as this was his last game as manager of the Newark Sportsmen Club.

Stanley Roderick, former sensational pitcher for the United States Navy, pitched a swell game Sunday allowing the opponents six hits, and striking out thirteen batters. Roderick holds quite an impressive pitching record while with the Newark Club.

The losers put on a fine brand of baseball but their inability to hit at the right time proved their downfall.

Manager Henry Nunes has announced that his successor will be Leonard Bettencourt, who now plays shortstop on the team.

---

Private Vernon Ellsworth arrived from the Presidio Sunday to spend the day in Niles.

## What Should You Save To Help?

WASHINGTON, D. C.—The following table issued by the Treasury Department is intended as a savings yardstick for the average income-earner. It suggests how everyone of the 48,000,000 employed persons in the United States may participate in the war effort through the systematic purchase of Defense Savings Bonds.

"The job ahead of us is far bigger than most of us realize," Secretary Morgenthau declared in making the table public. "I know that the American people are ready to do their part to win the war. One of the ways we can do much more is by intensifying our effort in the purchase of Defense Bonds."

While persons without dependents may be able to set aside more than the suggested figures, persons with several dependents, or with other heavy family obligations, may be unable to save at the suggested rate, the Treasury Department pointed out.

| If Weekly Earnings Are: | And One Saves Each Week: | In One Year He Will Save: | Number of Persons in Each Income Group: | Total Annual Savings:* |
|---|---|---|---|---|
| $5 to $10 | $0.25 | $13.00 | 3,324,000 | $43,212,000 |
| $10 to $15 | .50 | 26.00 | 4,975,000 | 129,350,000 |
| $15 to $20 | .75 | 39.00 | 5,470,000 | 213,330,000 |
| $20 to $30 | 1.25 | 65.00 | 10,747,000 | 698,555,000 |
| $30 to $40 | 2.00 | 104.00 | 7,774,000 | 808,496,000 |
| $40 to $50 | 4.00 | 208.00 | 5,794,000 | (1,205,152,000 |
| $50 to $60 | 6.00 | 312.00 | 3,007,000 | 938,184,000 |
| $60 to $70 | 8.00 | 416.00 | 2,231,000 | 928,096,000 |
| $70 to $80 | 10.00 | 520.00 | 1,304,000 | 678,080,000 |
| $80 to $100 | 12.00 | 624.00 | 1,489,000 | 929,136,000 |
| $100 to $150 | 20.00 | 1,040.00 | 1,059,000 | 1,101,360,000 |
| $150 to $200 | 35.00 | 1,820.00 | 298,000 | 542,360,000 |
| Over $200 | | | 695,000 | 2,000,000,000 |
| | | | 48,167,000 | $10,215,311,000 |

U. S. GOVERNMENT PRINTING OFFICE 16—26566-1 Form No. DSS-283

## C.C.C. TEACHES JOB COURSES & FINDS YOU JOB

OAKLAND — Dayton E. Jones, state supervisor CCC Selection, and P. D. Kristich, Area Supervisor United States Employment Service, announce an arrangement whereby the Alameda County Selecting Agency for Civilian Conservation Corps is now located in the Junior Placement Division of the Employment Service office at 12th & Oak Streets in Oakland.

By the placing of the CCC Selecting Agency in the Junior Division, the untrained unskilled, and usually unemployable young men making application for work, can be immediately employed by CCC at the monthly pay of $30, room, board, and clothing; where in addition to the part he will play in National Defense through participation in the CCC War-Time Program of Protection of our Forests and Natural Resources, he can avail himself of one of the 26 Job Training courses open to all CCC enrollees. At the completion of the job training course, this trained man will be returned to the Employment Service for placement.

**While employed by the CCC and enrolled for a six month's period, this young man will still be registered with the Employment Service and if, at any time, a position for which he is qualified is available, he will immediately be recalled from the CCC camp and if accepted for the position, be honorably discharged even though the enrollment term has not expired.**

Among the training courses given by CCC are: Arc and gas welding, carpentry & woodworking, truck driving & maintenance, radio communication & repair, aviation mechanics, sheet metal worker, shipfitting, ordnance inspection, cooking & baking, clerical, heavy duty equipment operation and repair.

According to Mr. Jones, over 300 young men, who have completed the mechanic's course, have been placed at starting salaries of $35 per week; and 1000 similarly trained men have been requisitioned by the industry. The shipfitting course has been in operation for less than four months and already 68 men have been placed in Bay Area yards as shipfitter's helpers at a starting salary of $45.24 per week.

## LOAD OF SCRAP FALLS AND KILLS ALVARADO WORKER

ALVARADO — A cartload of scrap iron slipped, struck and killed Roque Samarron, 48, of Alvarado on Wednesday of last week while he was working in a manufacturing plant at the foot of 96th avenue.

Fellow employees said Samarron loaded a cart with scrap metal, gave the hoisting signal to a crane operator, and stepped back. The rising cart slipped from the cable hook, crushing Samarron's chest and fracturing his skull.

He was dead before he arrived at the Alameda County Emergency Hospital.

## FIRE FIGHTING PICTURE TO BE SHOWN MARCH 18

(Special to the Register)

NEWARK — Fire Chief J. E. Pashote of the Newark Fire Department outlined today the latest methods of fighting fire bombs approved by the United States Office of Civilian Defense. "Everyone must know what to do in case of an air attack," said Chief Pashote, "not only so we can keep fire damage as low as possible, but also so we can all face such an emergency with calmness and self-confidence. Panic is the only thing to be afraid of."

The OCD-approved motion picture, Fighting the Fire Bomb will be shown to the community at the Newark School auditorium next Wednesday evening, March 18. Chief Pashote of Newark urges all civilians and members of civilian defense organizations to see this motion picture at the Newark school auditorium.

---

A public telephone booth has been placed in the front of the Rees Drug Store at Niles for the convenience of the public.

## FIRST AID CHAIRMAN

IRVINGTON — Mr. Ray Truscott, Township Red Cross First Aid Chairman announced the appointment of Mrs. Stella Benbow as the Red Cross First Aid Chairman for Irvington, who is also instructor at the Washington High school evening adult class in advanced first aid. Mr. Judson Taylor, coach, instructs the standard class in first aid.

## NEWARK FORMS FIRST AID CLASS; MEETINGS WEEKLY

NEWARK — The First Aid Section of Civilian Defense held their organization meeting Thursday evening at the Newark Fire Station with a large group present. Instructions were given by Ray Truscott of Newark, District Chairman of First Aid for Washington Township. Truscott attended a meeting Tuesday evening, March 3 at Irvington where their organization meeting took place.

Two standard classes in first aid are being held at the high school with Jud Taylor as instructor, with one advanced class being taught by Mrs. Ray Benbow.

A meeting place for all Newark First Aiders to meet during an emergency is now being sought. Newark First Aiders are urged to attend the next meeting on Thursday evening, March 19 at the Newark Fire Station.

## MASONIC HOME NEWS

By J. H. HEATH

DECOTO — The following was posted on the official Masonic Home Bulletin board recently:

FIRST WAR BULLETIN

To retain our Americanism and win the War, our PRESIDENT orders conservation which includes sugar.

Our population of 357 gives us a sugar quota of 1171 pounds per month.

We are using 1295 pounds per month or 2½ per cent per month per person over our quota.

Please assist in this matter at once.

James H. Eubanks,
Superintendent.

* * *

The first annual report of Supt. Eubanks for the fiscal year ending July 31, 1941, showed a total membership of residents to be 300 — 157 men and 143 women. The total as shown in the first war bulletin includes members and paid employees.

## DANCE SATURDAY NIGHT AND HELP "BUY A BOMBER"

NEWARK — Plans are now being made for the third annual St. Patrick's dance to be held Saturday evening at the Newark Pavilion. The motto of the dance is to Help Buy A Bomber, and all men in uniform will be admitted free. The Newark Sportswomens Club, who are sponsoring the affair, have made plans to donate one-half of the proceeds to help buy a bomber for the United States and the other half to purchase a United States Defense bond.

Music will be furnished by Ben Watkins and his Colored Rhythm Masters. The dance committee, Irma Tedder, chairman, Mary Fraga, and Emma Dias are hoping for a large turnout at this affair.

---

**Sunday afternoon and evening from 2 to 10 P. M., at St. Mary's Parish hall in Oakland, members of the De Guadalupe Institute will join with the Eastbay District Y. L. I. in entertaining service men. There will be dancing, refreshments, and games. Fifteen members of the local institute will attend and homemade cookies will be sent by members.**

## WHAT NEXT, LITTLE BROWN MEN?

The fall of Java is of much more serious consequence to continental United States than the fall of Singapore was. Singapore enjoyed a "build up" which was of vital concern to the British life-line to the Near East . . this build up had no lodging place in the minds of Americans.

Now both Singapore and all the Dutch East Indies have fallen to the arms of the Setting Sun. The Japs have their "co-prosperity sphere" in the Far East completed. It will take them a month or so to reorganize their broken armies, navies and air fleets. By next month, punch-drunk with blood and power and success they will be ready for fresh assaults and new conquests.

Assaults where? They know, with the rest of the world that American forces are well distributed throughout the Pacific, in Australia, Hawaii and at sea. . Will the Japs try a direct attack where our forces are strongest?

They will not. They will make their next bombing or invasion attempt against U. S., their enemy, where we are weakest. That is the diabolical axis strategy a la the Maginot line: to pierce defenses where they are weakest.

Your guess is as good as mine where the enemy strikes next. Meantime, spring is advancing, the stormy season in the Pacific will be over by next month, so we who live on the coast will have to wonder: where next?

The Japs may be satisfied to remain in their "co-prosperity sphere", which is doubtful. "Give them an inch and they will take a mile" is typical of the Japanese mentality.

While we are waiting for developments our Army authorities should round up and intern under guard all the 30,000 or more aliens in the four western states who **failed** to register during either of the alien registration periods. They represent the **real** fifth column in our midst. The Western Command is now giving its attention to the removal and care of the 180,000 enemy aliens who **did** register and are known, and who **did** turn in their contraband articles: the 30,000 aliens who did NOT register and who the F. B. I. are turning up daily in small numbers, with their contraband, are our real and pressing threat here on the Coast.

**The 30,000 or more unregistered aliens must be put out of harm's way first and at once; gradual removal of the remaining 180,000 registered aliens, who are possibly loyal is an entirely secondary matter. Will the Western Defense Command please note?**

* * * *

And while the United Nations are waiting to see what next the little brown men are going to do, we might do a little doing ourselves. Washington "marvels" that the Japanese with their relatively weak resources have been able to plan and execute their many long distance spearhead attacks and conquests. By "marvelling" do our leaders acknowledge their own inability to plan and execute in similar manner?

Our Navy did swell at the Gilbert and Marshall Islands, in the Straits of Macasser and off Java. Hero MacArthur and his men are now writing the brightest page in current American history.

Can't we have more of the same? Our resources in men and material are growing daily . . do we have to wait for a "grand strategy" plan, a la Churchill, for next year, when ATTACK and OFFENSE are crying to be undertaken now, TODAY, at a dozen scenes in the Eastern Pacific by our ready naval and air power?

Would it take much of a sortie for one of our great fleets to recapture Guam and Wake Islands? What a lift such an achievement would give to the spirit of the American people, who do the fighting as soldiers and sailors, and put up the money as civilians!

Our armed forces are spoiling to get at the enemy, once Washington names their objective and gives them the GO signal.

Only part of our great Pacific fleet would be needed to recapture Java before the exhausted Japs have time to establish and replenish themselves. The longer we wait the harder the re-conquest will be. And the same with the Philippines.

The more heavily we arm Australia the more studiously will the Japs **avoid** Australia. They don't fight according to the book: they fight according to inspiration, they fight with daring and reckless abandon. They have conquered every objective so far . . if we are to start an era of conquest we will have to display the same qualities of daring and devil-may-care, —each detail properly thought out and prepared for in advance.

No doubt our war leaders are at work on some such undertaking now; We, The People, will praise God when the United States' offensive actions begin.

The Philippines, where scores of thousands of American nationals are being ground under the heels of the yellow peril are far dearer to us than the Dutch East Indies. That is where our present effort should be made, with a great naval and air armada, to reward MacArthur for his epic stand, to liberate our imprisoned nationals, and to write a glorious chapter in current American history.

Washington please note!

(Three days after the above was written the San Francisco Examiner carried a page one banner demanding that ships be sent to the beleaguered Philippines.)

### THREE DOTS AND A DASH FOR VICTORY

## 13,204 NEWSPAPERS

This newspaper is one of 13,204 newspapers which are published in the United States. In addition, there are 5,709 magazines and other periodicals, bringing the total publications of all kinds to almost 20,000.

To read all of the material which is printed in one week would take any one individual a good number of lifetimes. But the interesting thing about America's publications is that each one is published to fulfill a definite desire of a specific group of people.

There is a different magazine to discuss the problems of each line of business. There is a magazine to satisfy the requirements of every type of literary taste. There are magazines to aid with hobbies, with housework, with domestic problems and with the care of children.

The reason so many newspapers are necessary is because people are primarily interested in local news. The big dailies report the news events of the whole world, but even in these days of war an analysis of any daily shows column after column devoted to the news of the particular city in which it is published. A Chicagoan cannot hope to enjoy reading a New York newspaper as much as he does one of his local city papers which report what is happening in his home city.

To fulfill the demand for local news is the sole reason for the publication of this newspaper and for the publication of weekly or semi-weekly newspapers in 10,000 communities throughout the nation.

So, in spite of the thousands of publications our readers could read each week, we feel that this newspaper gives them something they want which they could not obtain in any other way.

## DEFENSE REQUIRES SACRIFICES

The civilian attitude will have to undergo a change as defense requirements tighten up and come nearer home.

For example, many defense industry workers who work by night have to sleep by day in their homes in Niles and elsewhere throughout this Township.

When neighbors learn that some man nearby is trying to sleep by day they should be considerate enough to suppress their dogs, close mufflers on their motorcycles, have their children skate on some other corner sidewalk, etc.

When and if the first bombs fall in California sometime this spring, the civilian attitude and realization of what war is, will change with a bang.

Prior to the falling of bombs human beings can at least be neighborly and friendly and try to "do as they be done by."

## VIEWS & OBSERVATIONS

By The Editor

**Communications from Register readers, agreeing or disagreeing with the Editor's viewpoint on subjects discussed in this column, are invited. Communications must bear the name of the writer, which will be withheld from publication by request.**

* * *

**MANUFACTURE,** sale and rental of typewriters stops on April 1 by government freezing order. The typewriter manufacturers are turning their plants over to the manufacture of defense articles.

We will use our typewriters while they last; when they give out we can still write by hand.

Just another restriction leading to the Great Upset which is now occurring in our normal economic life in the United States. Doing without cars and typewriters does not affect our ability to live, however. Simplicity is apparently to be the Coming Thing.

—ww—

**HENDERSON'S** premature statement last week, headlined in the daily papers, that private citizens may be asked to surrender their tires to the government has had the reverse of the effect desired.

The general attitude seems to be: "well, if the government is going to take the tires off my car I might as well enjoy using them while I can." . . So Sunday driving is about as heavy as it ever was, parking in the larger centers is still as congested as it has always been . . and more gasoline was burned in California in January 1942 than in January 1941, the state board of equalization reports.

The rubber shortage is real, of course and in a matter of months many small businesses and many families will be stranded for want of a tire for their automobiles.—All of which is a small enough war discomfort as compared to lives taken and bodies maimed by enemy gunfire.

—ww—

**....ONE WONDERS** how the alien removal proclamation is going to affect some of our well known and trusted residents of Italian or German extraction who have been doing business harmlessly in our midst for years, and now who must move because they did not make application for United States citizenship while the applying was good?

. . Just another of the by-products of war which affect the lives and destinies of all of us, in one way or another.

—ww—

**DID YOU** know that it takes all the steel and rubber used in the manufacture of 24 automobiles to make but one 27-ton middlesized army tank?

And that there is enough tin in one automobile to make 1,000 ordinary tin cans and enough brass and copper to make 2,400 brass cartridge cases for .30 caliber ammunition?

Hence the need for stopping the manufacture of pleasure cars.

—ww—

**THIS WAR** is moving so fast, some of the news pictures sent this newspaper by bureaus in the East cannot be used when they get here: the nation concerned has fallen during the few days the picture was in the mail; or important personages shown in the picture have been transferred from one country to another, or have changed their positions. The world sure "do move" these days!

—ww—

**THE RECENT** March of Dimes campaign was the most successful and remunerative ever held according to thanks sent this newspaper by Dan Marovich, director for Northern California.

Who says the public is not digging down into its jeans and doing its collective and voluntary part?

—ww—

**WHILE BRITAIN** is debating whether to grant India full independence the Japs are preparing to take it away from her. It would be funny if it was not so sad.

India will be a push-over for the Japs. Rangoon has fallen: it is only a few hundred miles from Rangoon

### NOTICE OF SHERIFF'S SALE OF REAL PROPERTY ON EXECUTION

No. 64755

Robert Golder, Plaintiff vs. W. T. Whitfield, Defendant.

By virtue of a Writ of Execution, issued out of the Municipal Court of the City and County of San Francisco, State of California, wherein Robert Golder is Plaintiff and W. T. Whitfield is Defendant upon a judgment rendered by the said Court on the 7th day of May A. D. 1937 for the sum of $100.00 in lawful money of the United States, besides interest and costs, I have heretofore levied upon all the right, title, claim and interest of W. T. Whitfield, who is also sometimes known as William Whitfield Defendant of, in and to the following described Real Property, to-wit;

All that certain real property, situate, lying and being in the County of Alameda, State of California, and more particularly described as follows, to wit:

BEGINNING at the Northwest corner of a tract of Six (6) acres conveyed by Juan Gallegos to J. B. McMinn by Deed recorded in the office of the Recorder of Alameda County in Liber 242 of Deeds at page 370 thence along the Northern boundary of said Tract North Fifty-nine and 1/2 degrees (59½°) East Two and 78/100 (2.78) chains to a fence; thence along said fence North Thirty and 1/2 degrees (30½°) West Nineteen and 89/100 (19.89) chains to the Southeast corner of a tract of land designated as Plot No. 21, on the Map hereinafter described thence along the Southern boundary of said Plot No. 21, South Fifty-three and 3/4 degrees (53¾°) West Fifteen and 78/100 (15.78) chains to the Southwest corner of said Plot No. 21, which is also the Southeast corner of the plot on said Map designated as No. 18½; thence along a fence on the Southern boundary of said Plot No. 18½ South Twenty-two and 3/4 degrees (22¾°) West Five and 80/100 (5.80) chains; thence along the same South Seventy-seven and 3/4 degrees (77¾°) West Two (2) chains; thence along the same South Sixty-five and 3/4 degrees (65¾°) West Nine and 91/100 (9 91) chains; thence along the same South Sixty-four and 3/4 degrees (64¾°) West Seven and 31/100 (7.31) chains to a post marked 18, 18½ 22 and 27, being a corner common to Plots Nos. 18, 18½, 22 and 27, as designated on said Map; thence leaving the fence and along the Eastern boundary of Plot No. 27 as designated on said Map, South Fifty-five degrees (55°) East Eleven and 33/100 (11.33) chains; thence South Eighteen degrees (18°) West Ten and 17/100 (10.17) chains to a post, the corner common to Plots Nos. 22, 23, 26 and 27, as designated on said Map thence along the Northern boundary of Plot No. 23, North Twenty-eight degrees (28°) East Four and 33/100 (4.33) chains; thence along the same, North Seventy-five and 1/4 degrees (75¼°) East Four and 22/100 (4.22) chains; thence along the same South Sixty-one and 1/2 degrees (61½°) East Two and 80/100 (2.80) chains to the North side of a road Thirty (30) feet wide thence along the North side of said road South Seventy-one degrees (71°) East Ten and 56/100 (10.56) chains; thence along the same North Thirty-nine and 3/4 degrees (39¾°) East Ten (10) chains; thence along the same North Twenty-nine and 3/4 degrees (29¾°) East Nine and 64/100 (9.64) chains to a post on the Southwest corner of the aforesaid tract conveyed to J. B. McMinn; thence along the Western boundary of said Tract North Thirty and 1/2 degrees (30½°) West Four and 24/100 (4.24) chains to the place of beginning.

CONTAINING Eighty-six and 27/100 (86.27) acres all courses being magnetic, the variation of the needle being 16° 45' East

BEING a portion of the tract of land designated as Plot Numbered Twenty-two (22) on the Map entitled 'Map of Plots Nos. 1 to 52 and Blocks A, B C, D, E of lands belonging to La Societe Francaise d'Epargnes et de Prevoyance Mutuelle in Washington Township, Alameda County"—filed May 23rd 1881, in the office of the County Recorder of said Alameda County.

PUBLIC NOTICE is hereby given that I will on Monday the 30th day of March A. D. 1942 at 10:00 o'clock A. M., of said day, in front of the Fallon Street entrance of the Court House, of the County of Alameda, in the City of Oakland, County of Alameda, State of California, sell at PUBLIC AUCTION, for lawful money of the United States all the right, title claim and interest of said defendant as above stated of, in and to the above described real property, or so much thereof as may be necessary to raise sufficient money to satisfy said Judgment, with interest and costs, etc.; to the highest and best bidder.

## VIEWS and OBSERVATIONS

(Continued from Page Six)

to Mandalay; then only a few more hundred miles from Mandalay to Calcutta, the second largest city in the British Empire and the heart of the Indian empire.

Does anyone want to bet India wont belong to Japan by April 1?

Only airplanes, not debates in parliament, can stop them. The United Nations just don't seem able to get enough airplanes to critical points in time to stop the oncoming hordes.

"Wild Bill" Donovan's promise to the Yugoslavs that America would help them if they resisted the nazis was an ironic joke. Three days after he said it there was no Yugoslavia left.

Java's appeal to the United States for more airplanes went unheeded. "If we had had 1,000 fighting planes we could have saved Java" says Van Mook, who fled to Australia, — along with the only 600 American air and ground men at Java.

We have been building planes at the rate of 1,500 per month for the past year. Where are they all? If they have been kept here to protect home shores, that's smart.

— ww —

ARM-CHAIR strategists will wonder why our Pacific fleet is not blasting the Japs out of their footholds on imor and New Guinea, whence they will launch a pincer drive on Australia as they did at Java.

Now is the time to blast them out, and not wait until they are firmly entrenched in force, and ready to spring upon Australia.

This is the world's queerest war. Our strategists just don't seem to be able to anticipate the Japs' next move, and even when they show their hand our forces seem to make little effort to check it.

Of course it is easy to fight a war from an arm-chair . . yet it does seem that somehow, somewhere our armed might should begin to make itself felt. The Japs in only three months have seized title to the heart of the Pacific, leaving us only a fringe a few thousand miles wide off the West Coast.

Should the enemy capture Australia, only Hawaii will remain between their "co-iniquity sphere" and the West Coast of the United States. Not a pretty picture; and there's a deal of fighting to be done in Australia, which can be held, IF we send enough planes and ships and men there — NOW.

— ww —

## Wants

RATES: 2c per word first insertion, 1c per word on repeats of same copy. Minimum charge, 25c

**WANTED:**

GIRL'S BICYCLE, Phone Newark 2721. -11c

**FOR SALE**

Come To Lustig's Upstairs Furniture Dept. for Fine Furniture.

You can buy beautiful bed room suites for as little as $34.50 for 3 pieces, others to $150.00. We have the largest selection of breakfast and dinett sets in the entire bay district and still have a full selection of chrome and plastic tables and chairs. All colors, of course, priced for less.

For chesterfields and rugs you just must visit Lustig's upstairs furniture dept. and if you want to enjoy a real comfortable sleep, try Lustig's Special built tuftless mattress guaranteed for 10 years of comfort.

LUSTIG FURNITURE & HARDWARE CO.

Hayward, California

## Dead Stock Wanted

**WANTED—All kinds of live stock. Dead stock removed on short notice. General hauling. Corner Third and F streets, near school. Manuel Pementel. Phone 4418. Niles.**

**THE REMOVAL** of all Japanese from the West Coastal area surely must tickle the Chinese, particularly in San Francisco's Chinatown where the Chinese have always hated and resented the encroachment of Japanese stores right next to their own. One can hardly blame the Chinese for their present elation. They helped to build California in the early days of railroading and mining. The Japs were late-comers. who came to enjoy the fruits of the labors of the Chinese and the Americans.

—ww—

**THE SCORE** now stands at 51 Japanese naval vessels sunk by our forces alone up to Monday night. This means warships, not cargo vessels. That's a serious dent in the maritime hide of the enemy and more than avenges Pearl Harbor. This constant whittling away of their resources while not too spectacular, becomes effective in the end.

—ww—

**THE GIVING** away of defense stamps by merchants, as premiums, bonuses or rebates to their customers is OUT, due to a recent ruling by Secretary Morgenthau. Merchants are not yet abiding by the ruling, however, as the advertisements still running in newspapers will show.

—ww—

**WHEN A** speaker refers to the public's buying of defense bonds as a "sacrifice" this writer is tempted to yell. Defense bonds offer probably the safest and most remunerative of INVESTMENTS now available to the general buying public.

This writer bought Liberty bonds from his soldier's pay during the last war . . and lived to enjoy the revenue from them some years later.

Buying defense bonds is a gilt edged INVESTMENT, as good as the government itself. Where is there any "sacrifice" involved in making a sound investment?

**War Needs Money—YOURS!**

This war calls for every ounce of energy, every dime and dollar we can muster for ships—and planes—and guns.

Hit the enemy with a $25 Bond. Hurt him with a $50 Bond. Help to blow him sky-high with a $100 or $1,000 Bond.

Don't delay — every hour counts. Buy United States Defense Bonds and Stamps TODAY.

## ARMY ABANDONS DISTRICT FLOOD CONTROL PROJECT

**SAN FRANCISCO — The office of the Division Engineer of the War Department here advises this newspaper that it has decided to abandon any further effort towards providing control of flood waters of Alameda Creek as it concerns Washington Township.**

A public hearing on this project was held in the Alvarado school auditorium several months ago at which time testimony of citizens was heard and questions were answered by a representative from the engineer's office in San Francisco.

No further surveys will be made and the department decided to abandon further interest when it was found the cost of providing satisfactory flood control improvements would exceed the value received by land owners concerned. Further, investigation disclosed that local interests were unwilling to assume the responsibility for local cooperation as required by law in a flood control project.

Citizens may appeal this decision to the Board of Engineers for Rivers and Harbors at Washington, D. C., either orally or in writing. Communications should be addressed to this Board at No. 2 New York Ave., N. W., Washington, D. C. but action must be taken at once, and such action must not be published in newspapers in advance of its receipt by the board in Washington, according to Colonel Warren T. Hannum, division engineer.

### DEFENSE CLASSES TO RUN THROUGH SUMMER

CENTERVILLE — Principal A. J. Rathbone announces that defense classes in welding, machine shop first aid home nursing and some others will be run continuously throughout the summer.

If 20 or more persons wish continuous classes established in other subjects such as typing, shorthand, bookkeeping or related subjects, they can be arranged, he says.

## NO SHORTAGE OF ELECTRIC POWER ON WEST COAST

**There is no shortage of electric power in central and northern California and none is anticipated, according to a statement made today by P. M. Downing, vice president and general manager of Pacific Gas and Electric Company.**

The constantly increasing demand of the war industries for electric service is being met and at the same time the usual requirements of the communities in the 89,000 square miles of territory served by the company are being supplied without curtailment.

"Following a long established custom," said Mr. Downing, "The Pacific Gas and Electric Company is building additional generating facilities for future demand. In 1938 we launched an extensive development program, intended to provide adequate electric power for current needs and still maintain an ample reserve capacity for emergency.

"Anticipating still greater load demand because of expansion of the war industries and growth of the Pacific Coast area, the company has prepared plans for two more steam operated powerhouses each to have an installed capacity of 100,000 hp. Starting of construction work on these plants will depend upon availability of necessary materials and equipment and upon load conditions as they develop in the next year.

**"Finally, we have completed enlargement of our interconnection facilities with the Southern California Edison Company which enables us to obtain an additional 100,000 hp. of electricity from the southern system.**

"Construction work on the last of these improvements is expected to be completed in 1944. In the six years since 1938 the company will then have added to its electric generating resources a total of more than 800,000 hp. This increase, bringing the capacity of the entire system to approximately 2,600,000 hp., we believe will enable the Pacific Gas and Electric Company to provide ample power to industry to commercial establishments and to the homes within our territory, with adequate reserve capacity for unforeseen emergencies."

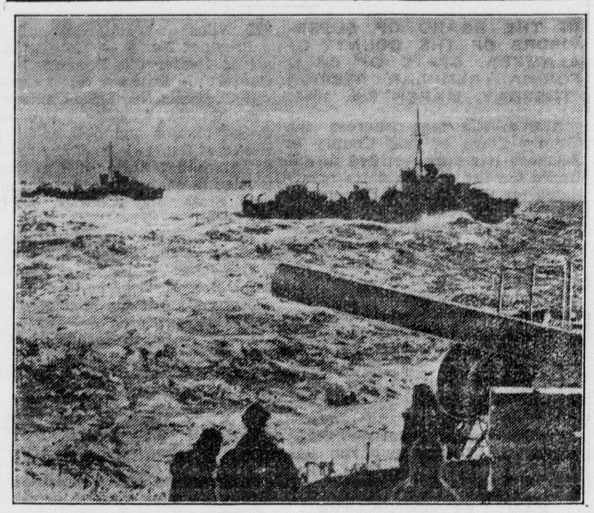
## SHIPS OF ALL WORK



**BRITISH DESTROYERS, engaged in their hum-drum but vital job of shepherding a convoy of plodding merchantmen with food and supplies for the far-flung battle fronts of the United Nations, skitter hopefully about the waves in search of an enemy U-boat. Occasionally they meet larger game—as recently, when British destroyers like these attacked and seriously damaged two powerful German battleships and a heavy cruiser during a Germany-bound sneak flight up the English Channel.**

## FOREST SERVICE TAKES CHARGE OF GUAYLE GROWING

SAN FRANCISCO — Following President Roosevelt's approval of legislation authorizing increased commercial production of guayule rubber in the Western Hemisphere, it was confirmed here today that Secretary of Agriculture Wickard had placed the U. S. Forest Service in charge of the domestic rubber project and named the Bureau of Plant industry to direct research for the program.

Major Evan W. Kelly, regional forester of Forest Service offices at Missoula, Montana, was detailed recently to launch the government's new rubber industry in the Salinas Valley. He is being assisted at Salinas by Paul H. Roberts, Lincoln, Nebraska, director of the Prairie States Forestry Project, and a staff of foresters and nurserymen.

**— Supply at Salinas**

The Department of Agriculture recently negotiated with the Intercontinental Rubber Company of Salinas for the purchase of the firms' processes, nursery, rubber factory and 23,000 pound seed supply. Congress authorized the Secretary of Agriculture to expend an amount "not to exceed $2,000,000" for the Federal purchase of the property.

During the past month the Forest Service has been completing the Department's initial plans for the domestic rubber project at Salinas and is now rushing a big construction program, part of which must be completed before a 750-acre guayule nursery can be seeded this spring.

Major Kelley, who was in San Francisco this week conferring with priorities officials, said that if seed treatment buildings and an irrigation system aren't installed soon a whole year will be wasted in the rubber project.

**— Hope For 60,000 Acres**

"If everything goes well, including the weather," said Major Kelly, "enough nursery stock might be grown in the seed beds to plant 60,000 to 75,000 acres of guayule before April 1, 1943, in various parts of California and the southwestern states. This will be in addition to 2000 acres of field planting that it is planned to complete before April 15 from stock already on hand in a private nursery near Salinas."

Each acre planted to improved strains of guayule seedlings will produce, on the average, 350 pounds of rubber per year, according to authoritative nurserymen. On this basis, two-year-old plants may yield 700 pounds of rubber per acre under favorable weather conditions and four-year-old guayule can produce around 1400 pounds.

As approved by the President, the guayule law authorizes the Secretary of Agriculture to plant guayule in Western Hemisphere areas where soil and temperature will permit successful guayule farming.

**— Is Desert Shrub**

Guayule, a desert shrub with a high rubber content, is a native of north central Mexico. It has been grown experimentally and on a small commercial scale in California and the southwest for the past 20 years or more.

When scientifically cultivated, harvested and processed, guayule rubber has been produced for as little as 20 cents a pound. However, due to costs of the expansion program the government does not believe that this production price can be equalled for several years.

## TOWNSHIP SCOUT LEADERS PURSUE TRAINING COURSE

(Special to the Register)

IRVINGTON — The First session of a training course in emergency service for the Leaders and Senior scouts of Southern Alameda County was held last Thursday evening in the Irvington grammar school.

Jack MacGregor of Newark served as scoutmaster for the training group. Robert Stover of Irvington and William Abrott of Hayward served as assistant scoutmasters.

Instruction given included first aid by J. Hal Cop of Arroyo Sanitarium; marching drill by Stover, physical development and posture by Principal Jack Prouty of Irvington and advanced rope work by R. T. Hunter of Hayward and W. T. Lindsay.

This was the first of nine sessions to be held in alternate weeks during the coming months. The next session will be held in Hayward at the Youth Cabin at Memorial Park in Hayward on date tentatively set for Wednesday, March 18.

### TO WIDEN ROAD

NEWARK — The county road department is making a survey preparatory to widening and resurfacing the Blacow road between Newark and Centerville. About one half mile of this road needs widening to full two-lane width and requires an oil and gravel surface.

### THANKS FOR BOOKS

The librarians at the several branch libraries throughout Washington Township are very appreciative of the fine response of their patrons in donating so many books to be used by the men in service. The response far exceeded expectations. However as the number of men in service is constantly growing, persons who hereafter may have books to donate should bring them to their local libraries, to be forwarded to U. S .O. recreation centers.

## ENROLLMENT OF JAPANESE DROPS IN LOCAL SCHOOLS

CENTERVILLE — A month or so ago, when the first Prohibited zones were created on the West Coast by the War Department, many Japanese families from prohibited zones moved into Washington Township and their children were entered in schools here, thus increasing the enrollment.

Now the tide is running the other way. Japanese families are moving into the interior and the regular Japanese enrollment is reducing. As 216 or nearly 10 percent of the total enrollment of 2,427 pupils in Washington High school and the 10 grammar schools in the Township as of March 5 are, or were Japanese, the evacuation when it becomes complete, may reduce the A. D. A. to the point where teaching staffs may be reduced.

On March 5 the following Japanese percentages prevailed:

At the high school 91 of the 632 enrolled are Japanese and at the Centerville Grammar school 40 of the 230 enrolled. Other schools are as follows: Warm Springs, 20 out of 96; Alviso, 18 out of 86; at Irvington 18 out of 205 at Alvarado, 12 out of 187; at Newark, seven out of 191; at Decoto, five out of 379 and at Mission San Jose, two out of 80. At the Lincoln one-room school four of the seven enrolled are Chinese.

### FIRE BOMB FILM OFFERED PUBLIC BY ASSOCIATED

A thrilling sound motion picture titled 'Fighting the Fire Bomb" has been prepared for public showings. The film has the endorsement of the Office of Civilian Defense, under whose supervision it was prepared. It is a film which should be seen and heard by every organization, service club, high school student body and other groups.

Arrangements for the showing of this film locally can be made through the local office of Tide Water Associated Oil Company according to an announcement made today by M. G. McCormick, local sales agent. In making the announcement McCormick declared that Associated has secured copies of this film which are now available for showings to all interested groups in this community and that local organizations desiring to arrange a showing should contact him at once so that an early date may be selected.

Miss Barbara Kibby of San Francisco spent the weekend with her parents Mr. and Mrs. Hugh M. Kibby.

## NILES CHAMBER TRIES TO OBTAIN "SILENCE" POSTERS

At the Niles Chamber of Commerce Monday luncheon meeting held at the City of Florence Restaurant President T. C. Wilson appointed Walter Waynflete to try and obtain from the government through Postmaster Ed Enos a dozen "Serve in Silence" posters to be distributed to local bars, barber shops and restaurants.

The managers of some of these places of business have asked for such posters in order to reduce the amount of heated war talk engaged in by some of their patrons.

Postponement of the annual PTA-Chamber-Rotary luncheon at the Niles Grammar school from this Tuesday to Thursday of this week was announced by the chairman.

Secretary A. J. Petsche reported on the recent meeting of the State Chamber of Commerce in the Hotel Oakland where he attended the session on highways and transportation.

No more state highways will be built, he said, except those classed as strategically necessary for national defense, and then only with the consent of army authorities.

**He brought word there will be a definite shortage of transportation for moving local crops to market, when harvest time comes. Most trucking firms are now fully engaged in transporting war materials, he said.**

Petsche also attended a rubber meeting where an expert said that guayule rubber is a live, natural rubber as good as that heretofore imported from the tropics. Synthetic rubber by contrast is not a true rubber and it cracks and becomes useless in zero weather. This is the Germans' great problem in Russia, he reported. Synthetic has to be toughened with some real rubber or it does not resist cold.
